Volunteer Application

We are excited that you are considering volunteering with Whole Ministries, Inc. You will become an integral part of a team who is passionate about the call of Jesus Christ and making a difference in the lives of others.

Our volunteers are entrusted with sensitive and personal information and are expected to be honest, trustworthy, discreet, and capable. Therefore, we ask that anyone who volunteers with the ministry complete an application and a virtual/in-person interview. Those who wish to become a Group Facilitator must complete a personal healing class before moving into the 6-week Basic Facilitator Program. We are confident that the training program will be an amazing time of growth and pray that God will bless you as you consider this next step in your desire to serve and impact the kingdom of God.

We encourage you to prayerfully consider the task you are undertaking as well as the time commitment involved in serving in any capacity at Whole Woman Ministries, Inc. If you are considering being a Group Facilitator, please carefully read section 4 before filling out this application.

Should you decide to be a part of this ministry, once you have submitted your application you will receive an email that your application has been received. You will then be contacted by volunteer services to schedule a "Get to know" interview with the screening committee to determine how you can best serve the ministry.

We thank you for your interest in this ministry!

With love in Christ,

Paula K. Sett

Founder, Whole Woman Ministries, Inc.
